- d) Evaluation results, feedback received, and actions taken to address any gaps or improvements needed.

APPENDIX 6: SUCCESSION, CONTINGENCY AND CAPACITY DEVELOPMENT PLAN TEMPLATE

The Succession Plan adopted by the Board shall, at a minimum, contain the following provisions:

- a) Objectives and Scope – State that the plan covers succession, contingency and capacity development; specify the roles covered (all key persons and other critical functions whose sudden vacancy may endanger policyholder protection, solvency or strategic continuity); confirm that appointments are based on merit, competence and performance rather than seniority; and indicate the authority that approves the plan and any material amendments.
- b) Role Inventory – List each critical position, its regulatory category, the current holder, the identified internal successor candidates or talent pools, and whether an external talent pipeline exists; and clarify that inclusion as a successor candidate or member of a talent pool does not in itself constitute an appointment or guarantee of future appointment.
- c) Readiness Assessment – Indicate the readiness of each identified successor or successor pool on a common scale (ready now, ready within twelve months, ready after twelve months) and summarize vacancy risk by identifying roles without at least one successor who is ready within twelve months.
- d) Development and Capacity Building – Describe the main development actions for identified successors and for broader internal talent pools, link these actions to specific competence gaps, assign responsibility for implementation, and set target dates for completion and re-assessment of readiness.
- e) Acting Arrangements – Identify who will act in each critical role in the event of an unplanned vacancy, incapacity or suspension, the safeguards and notification requirements that apply to such acting appointments, and the maximum period an acting appointment may last before a permanent decision is made.
- f) Monitoring and Reporting – Specify how the plan will be monitored and reported, including periodic reports to the Board committee responsible for nominations and human resources, an annual submission of the updated plan and competence gap

analysis to the Board and the Authority, and prompt updates following any unplanned departure or other material change affecting a critical role.

- g) Resources and Budget – Confirm that sufficient financial and human resources are allocated to implement development and capacity-building actions and, where internal capacity is not adequate, to obtain external search and recruitment support.
- h) Review Mechanism – Require the plan to be reviewed at least once a year and earlier where there are material changes in strategy, risk profile, organizational structure or senior staff, and to be updated and re-approved by the Board with key changes and their rationale recorded.
- i) Board Attestation and Sign off – Include a declaration that designated successors and acting appointees meet, or are expected to meet within the stated timeframe, the fit and proper requirements of the Authority before any formal appointment; confirm that designation as a potential successor, acting appointee or member of a talent pool does not create any right or expectation of appointment; and provide signature blocks for the Chairperson and the Chief Executive Officer or Principal Officer with dates of approval.

APPENDIX 7: FORMAT FOR SUBMISSION OF BOARD EVALUATION TO THE COMMISSIONER

The Board-evaluation report that the Board approves and submits shall, at a minimum, contain the following provisions:

- a) Purpose and Scope – State the objective of the evaluation, the financial or calendar year covered, and whether it includes the Board, its committees, and the Principal Officer (CEO/PO).
- b) Evaluation Methodology – Describe the tools used (self-assessment, peer review, independent evaluator), the rating scales, and any external benchmark or regulatory standard applied.
- c) Board Composition and Structure – Provide key statistics (total members, number and percentage of independent and non-executive directors, female representation, skills matrix summary) and comment on whether composition remains fit for purpose.
- d) Board Meetings and Processes – Disclose the number of meetings held, overall attendance rate, main agenda themes, and an assessment of the timeliness, completeness, and quality of board materials and decision making processes.
- e) Leadership, Governance and Culture – Assess the Board’s effectiveness in setting strategic direction, overseeing ethical conduct, fostering open debate, and upholding the insurer’s risk appetite and governance framework.
- f) Committee Performance Summaries – For each standing committee (such as Audit, Risk & Compliance, Investment, Underwriting and Claims) note composition, meeting frequency, attendance, key responsibilities, and a concise evaluation of effectiveness.
- g) Principal Officer Evaluation – Evaluate the Principal Officer’s leadership in executing strategy, managing operations, communicating with the Board, meeting Key Person Indicators (KPIs), and developing senior management.
- h) Key Findings, Strengths, and Improvement Areas – Summarise major strengths and highlight material gaps or weaknesses identified through the evaluation.
- i) Action Plan and Follow Up – Present a table or narrative that assigns each improvement action to an owner with a target completion date and outline the process for monitoring progress during the next evaluation cycle.

- j) Board Attestation and Sign Off – Provide signatures of the Chairperson (and independent evaluator, if engaged) with the dates of Board approval and submission to the Authority, and attach Board minutes evidencing that approval.

APPENDIX 8: RESPONSIBILITIES OF CONTROL FUNCTIONS

A. RISK MANAGEMENT FUNCTION
